

PERFORMANCE PARTS.

THE 4.

THE 4, ENHANCED.

BMW M PERFORMANCE
CARBON KIDNEY GRILLE.

Brave, daring and
uncompromising, the new
grille makes a stunning
statement in carbon.

To drive The 4 is to embrace the extraordinary.
It is for people who love to make a daring
statement.

And with BMW M Performance Parts
you can be even more daring, taking style
to the next level on a car that epitomises
our stunning new era of design.

BMW M PERFORMANCE
CARBON REAR DIFFUSER*.

Functional and chiselled,
the sporty rear diffuser
takes The 4's commanding
presence to a whole
new level.

BMW M PERFORMANCE
CARBON SIDE SILL
ATTACHMENTS.

The striking side sill attachments
further enhance your BMW's
ability to catch the eye as it
powers by.

BMW M PERFORMANCE CARBON
FRONT SPLITTER.

Give your 4 an individual flourish and
emphasise its sporty look with this
truly stunning carbon front splitter.

BMW M PERFORMANCE
AERO FLICKS.

A true descendant of our motorsport
heritage, the high-quality aero flicks
give your car a striking racing look.

BMW M PERFORMANCE 20"
Y-SPOKE STYLE 795M ALLOY
WHEELS.

Stylish, sleek and sporty, you're sure
to turn heads as you turn corners
with these weight-optimised alloy
wheels that come in eye-catching
Jet Black or Ferric Grey.

BMW M PERFORMANCE
CARBON REAR SPOILER*.

Enhance The 4's athletic
edge and add individual style
with this elegant rear spoiler.
Carbon-made, of course.

BMW M PERFORMANCE
ALCANTARA
STEERING WHEEL.

Feel our motorsport
history at your fingertips
with this Alcantara
steering wheel featuring
our famous racing red
centre mark. And savour
an even sportier edge
by adding carbon shift
paddles and centre trim.

BMW M PERFORMANCE
FLOOR MATS.

Bring an individual touch
to the footwells with the
premium M Performance
floor mats, complete with
leather surround.

TAKE THE 4 EVEN FURTHER.

*This M Performance Part is available via optional specifications for new 4 Series Coupe models. If you're looking to upgrade your current BMW, it may already be part of your vehicle. For more information, please speak to a member of our team.
