

LAND ROVER ACCESSORIES

RANGE ROVER

ABOVE & BEYOND

EXPERIENCE LAND ROVER

Range Rover brings new levels of desirability and versatility to the fore, and is ready to meet the needs of your journey, no matter what the conditions. You can look forward to spectacular performance on and off-road and the perfect way to ensure it meets your specific needs is to personalise your vehicle with Land Rover accessories.

We carry a wide range of stylish and practical interior and exterior accessories. We also offer a variety of carrying and towing components, wheels and wheel accessories.

Find out more about the accessories available for the Range Rover at accessories.landrover.com

METICULOUSLY DESIGNED AND ENGINEERED

Land Rover accessories are engineered by the same team who designed your vehicle. They are the experts who understand every inch of your Land Rover and its capabilities. Their expertise allows them to create accessories that complement the overall design of your vehicle, while optimising performance.

TESTED TO THE HIGHEST INDUSTRY STANDARDS

All Land Rover accessories are rigorously tested and inspected to ensure they meet the exacting standards you expect from Land Rover. This ensures they always work in harmony with your vehicle.

Accessories are tested in extreme hot and cold temperatures to ensure they will perform in all conditions, all year round.

Corrosion resistance testing ensures accessories can withstand demanding climates such as coastal conditions, while a series of tests ensure seamless integration with your Land Rover's existing features.

Accessories are put through their paces in a series of bespoke tests specific to their design, function and the materials from which they're made.

Exterior accessory testing, for example, includes:

- Exposure to up to two years of direct sunlight known as 'Florida Weathering'.
- Heat Ageing Test for 500 hours.
- Extreme Heat Test ranging from -40°C to 80°C.
- Heat Shock Testing during which parts are cooled to -40°C for 16 hours, then heated to 70°C for 5 minutes.
- Humidity Resistance Test where accessories are subjected to 168 hours at 48°C in 95-100% humidity.
- Accelerated Environmental Cycle Testing comprising a relentless barrage of salt, dirt and dust to simulate real world driving.

QUALITY ASSURED

For additional peace of mind, all Land Rover accessories come with a 24 month warranty or can be covered under your vehicle's existing warranty if they're purchased within the first month of ownership or 1,000 miles (whichever comes first).

For further information on accessories please visit accessories.landrover.com

EXTERIOR STYLING

SVO design packs provide purposeful, dynamic and stunning styling enhancements that allow you to add your own stamp of individuality by tailoring your Range Rover. Exterior features include a unique front bumper, rear bumper with integrated tailpipes, side vents, grille and side sill claddings.

Radiator Grille and Front Bumper with Enlarged Intakes

Rear Bumper with Integrated Bright Exhaust Finishers

Side Claddings and Side Vents

EXTERIOR STYLING

Noble Chrome Mirror Covers

Noble Chrome mirror covers designed to enhance the Range Rover's exterior styling cues. This neat styling upgrade complements various Dark Atlas and bright finish exterior trim.

Bright Side Tubes

Highly polished stainless steel side tubes provide an off-road inspired appearance, designed to complement the vehicle's exterior style.

Deployable Side Steps

These smart, practical steps make it easier to get in and out of the vehicle. Neatly stowed under the sills, the side steps automatically deploy as soon as the door is opened, or when activated by the key fob. They stow automatically when the door is closed. The side steps are sensitive to obstructions and will not deploy in off-road or low range settings. Automatic mode can be overridden to allow access to the roof when the doors are closed. The deployable side steps are compatible with front mudflaps and feature a stainless steel finish with laser etched Range Rover branding.

Fixed Side Steps

Complete with a rubber tread mat and brushed stainless steel trim, the fixed side steps provide easy access to and from the vehicle's cabin and aid access to the roof. With embossed Range Rover branding, exterior bright work and bright anodised aluminium edge trim finish, they complement the vehicle's exterior styling cues.

CHARGING CABLES

Public and Wall Box Charging Cable

The public and wall box charging cable provides an upgrade from the standard 'home charging' cable, helping to reduce the time required for charging. The five metre long, public and wall box charging cable can be used with a universal style A/C wall box (which does not feature a tethered cable), to provide a fast charging solution at home. Alternatively it is compatible with public charging points. When away from home, the cable can be stowed in the loadspace within the storage case supplied for the standard cable.

INTERIOR STYLING

Loadspace Luxury Carpet Mat

Luxurious, soft, 2,050gm² deep pile loadspace carpet mat with Range Rover branding and waterproof backing for vehicles with Ebony or Espresso interiors.

Gearshift Paddles

Complete the look and feel of your steering wheel with premium aluminium paddles. Gearshift paddles are machine polished, anodised and hand brushed to provide exceptional wear resistance with a premium finish. Also available in Red Aluminium finish.

Luxury Carpet Mat Set - with Ingot Branding

Luxurious, tailored, 2,050gm² deep pile carpet mat set with Range Rover ingot branding, metal corner pieces and waterproof backing for vehicles with Ebony or Espresso interior.

Sport Pedal Covers

Alternative pedal covers for an interior styling enhancement featuring a bright finish. Manufactured from polished and etched stainless steel and features hidden fixings for a clean finish.

INTERIOR PROTECTION

Loadspace Reversible Carpet Mat and Liner

All-in-one premium loadspace carpet mat and double layer reversible rubber liner helps protect the rear loadspace area from general dirt. The liner can be folded out to cover the back of the second row seats when folded down. Also includes fold out bumper protector.

Luggage Partition - Full Height

Designed to prevent luggage from entering the passenger compartment. Complies with ECE-17 regulation.

Rubber Mats

Rubber footwell mats for front and second row occupants help provide protection from general dirt. Featuring bright accent Range Rover ingot and durable metal corner pieces.

INTERIOR PROTECTION

Loadspace Liner Tray

Semi-rigid waterproof loadspace liner tray with a raised lip on three sides to protect loadspace floor and side wall carpets from dirt or wet equipment. Features Range Rover bright ingot branding.

Loadspace Rubber Mat

Range Rover branded waterproof rubber mat protects the loadspace carpet from general dirt in the rear loadspace. Features bright work accents to enhance visual quality and match floor mats.

FUNCTION & TECHNOLOGY

Click and Work

The Click and Work is part of the Click and Go range. This folding table offers the rear passengers a practical surface from which to work, particularly useful on long journeys. It also has a cup holder and is height and angle adjustable for in-cabin comfort

Click and Go - Base

The Click and Go range is a multi-purpose seat back system for second row passengers. The versatile Click and Go Base fixes between the headrest mountings. The base can be easily removed when not in use.

Click and Hang

This removable coat hanger allows shirts or jackets to be kept crease-free whilst transporting. Also includes an integral hook for use outside the vehicle.

Click and Play

This removable tablet holder attachment can easily be positioned at multiple angles for in-cabin comfort and rear entertainment. Available with a selection of Apple and Android tablets.

Click and Hook

This universal hook creates extra storage space for items to be hung, especially useful for handbags or groceries.

FUNCTION & TECHNOLOGY

iPhone Connect and Charge Dock

The iPhone connect and charge dock has been designed to charge utilising the cup holder space in the central console. When connected, the iPhone's media is accessible and can be controlled via the integrated infotainment/audio system. The iPhone USB charger can be easily disconnected if the USB connection is required for other use. Fits iPhones up to 67.3mm wide.

Activity Key

For extra convenience, owners can lock their key fob inside their vehicle and wear the Activity Key wristband, alleviating the need to carry their conventional key fob. The wristband is lightweight, robust and fully waterproof allowing customers to participate in a range of activities, then regain access back into their own vehicle. The conventional key fob is deactivated for total security.

Wireless Phone Charging Cupholder

The wireless phone charging cupholder has been designed to charge utilising the cup holder space in the central console. The holder will accommodate varying phone sizes securely in place. The charger displays an LED light to indicate when charging, and turns off when complete. Fits phones up to 72mm wide.

FUNCTION & TECHNOLOGY

Tailgate Event Seating in Ebony Leather

The tailgate event seating is hand crafted from beautiful Windsor, Ebony leather with a highly durable aluminium frame. Stowed in the loadspace, these seats can be quickly and easily fitted to provide comfortable seating for two adults on the lower tailgate, when the vehicle is stationary. The seats come complete with a luxury storage bag with soft lining, which also acts as a useful protective mat to prevent the users' clothes coming into contact with the exterior vehicle surfaces when in use.

Loadspace Rails

Loadspace mounted rails to help increase the flexibility of loadspace stowage, also allowing the fitment of the luggage retention kit stowage system.

Loadspace Retention Kit

The loadspace retention kit consists of a pack of attachments that fix into the loadspace rails via a quick lock/quick release system to help provide a comprehensive and flexible solution for retaining luggage and other items within the loadspace. The attachment pack includes a retractable flexible strap with inertia reel, telescopic rod and stowage bag.

FUNCTION & TECHNOLOGY

Seat Back Stowage - Premium Leather

Manufactured from the same premium leather offered on the vehicle, complemented with soft touch interior lining and magnetic button clasps. Provides a convenient stowage solution for the rear of the front seats with multiple compartments for stowing small items.

Loadspace Retention Net

Secure small items and luggage within the loadspace. Utilises loadspace tie-down points. Includes floor net and two ratchet straps which are approximately two metres long.

Loadspace Net - Side

Keep smaller items safely stowed away – but easy to find – with a loadspace side net.

FUNCTION & TECHNOLOGY

Centre Armrest Cooler/Warmer Box

Food and drinks cooler and warmer that acts as a rear centre armrest. With a leather covered top, it is held in place by the centre seat belt and powered from the rear auxiliary socket. Ideal for long journeys with the family.

Electric Cool Bag

This cool bag is thermostatically temperature controlled, is powered by the 12 volt auxiliary socket and has an easy to clean interior surface. Height 380mm, length 380mm, width 220mm. Volume 14 litres.

Collapsible Organiser

The collapsible organiser keeps items from shifting during transport. Can be easily folded away when not in use.

SAFETY

Child Seat - Group 0+

For babies from birth - 13kg (approximately birth to 12 - 15 months). Land Rover branded. Rearward facing on rear seat. Includes wind/sun canopy and padded and machine washable cover. Easy, height adjustable headrest and five-point harness with one-pull adjustment. Can be installed with the vehicle's three-point seat belt or the child seat ISOFIX base. Approved to European test standard ECE R44-04.

Child Seat - Group 1

For children 9kg - 18kg (approximately 9 months to 4 years). Land Rover branded. Forward facing on rear seat. Padded machine washable cover. One-pull, height adjustable headrest and five-point harness. Improved side impact protection. Multi-position recline system. ISOFIX fitment only. Indicators confirm the ISOFIX has been correctly installed. Front ISOFIX release for ease of use. Approved to European test standard ECE R44-04.

Child Seat - Group 2/3

For children 15kg - 36kg (approximately 4 to 12 years). Land Rover branded. Forward facing on rear seat. Padded machine washable cover. Height adjustable headrest and upper seat belt guides ensure correct seat belt position. Improved side protection from deep, padded side wings. Can be installed with the vehicle's three-point seat belt or ISOFIX system. Approved to European test standard ECE R44-04.

SAFETY

Warning Triangle

Vital in emergencies. Stows in the loadspace compartment.

First Aid Kit

Aids in the treatment of minor cuts and grazes.

PET PRODUCTS

Pet Care and Access Pack

Taking the effort out of transporting pets, this option ensures everything required is to hand to transport pets in comfort. Combines the full height luggage partition, quilted loadspace liner, pet access ramp and portable rinse system.

Pet Access Ramp

Designed with optimal dimensions and angle, the pet access ramp assists pets into the loadspace area without the owner having to lift them, making it ideal for owners who regularly carry dogs or other pets in the loadspace area of their vehicle.

Quilted Loadspace Liner

This tailored liner covers and protects all the carpeted areas of the loadspace including the floor, second row seat backs and loadspace side walls. Manufactured from a soft quilted fabric, with an integral rubber base and detachable bumper protector it is easy to wipe clean.

PET PRODUCTS

Spill Resistant Water Bowl

Providing a convenient solution for use in transit or outside of the vehicle, the spill resistant water bowl incorporates a clever design feature which redirects water towards the centre of the bowl when the water is disturbed. The bowl retains an open area allowing your pet to take a drink at all times, has an anti-slip rubber base and also a retention strap for securing it to the loadspace 'D' loop. The bowl has a spill resistant capacity of 350ml.

Portable Rinse System

Designed to be used outside the vehicle, the portable rinse system provides a convenient solution for washing pets before loading or rinsing down other equipment from bikes to wetsuits. Depending on the setting selected, this portable rinse system will deliver a minimum of two minutes of continuous water flow through a shower hose style attachment. Without the need for batteries or external power, the system utilises pressure captured when filling from a tap, and an integrated hand pump allows the user to pressurise if filling the water tank away from home. Featuring a Land Rover branded cover and handle.

PET PRODUCTS

Pet Loadspace Protection Pack

Designed to provide protection and easy cleaning of the loadspace from wet and muddy paws. Combines the quilted loadspace liner, full height luggage partition and spill resistant water bowl.

Pet Transportation Pack

Convenient option to provide a comfortable environment for transporting pets, which can be fitted or removed quickly as and when required. Combines the foldable pet carrier, spill resistant water bowl and loadspace rubber mat.

Foldable Pet Carrier

The foldable pet carrier provides a safe, comfortable environment for the transportation of pets, making it ideal for owners who regularly carry dogs or other pets in the loadspace area of their vehicle. Reinforced carry handles and corner pieces provide a premium finish, with a side pocket providing a convenient stowage option for other pet accessories or small items.

CARRYING

Roof Rails - Silver Finish

Roof rails facilitate fitment of cross bars for roof carrying. Pre-set positioning points to ensure cross bars are fixed in optimum position for weight distribution and dynamics. Maximum payload is 100kg. Also available in Black finish.

Cross Bars

Elegant, durable bright finish aluminium cross bars, with T-track design which utilises the full length of the bars, providing space to mount multiple accessories. Aerodynamic profile minimises drag and wind noise.

Ratchet Strap

Useful nylon ratchet strap for securing items to the cross bars or luggage carrier when roof carrying. Five metres long, 20mm wide and supplied individually.

CARRYING

Luggage Roof Box

Roof mounted luggage box with Gloss Black finish. Opens from both sides and is lockable for security. Includes power-grip mounting for easy and quick fixing to the cross bars. External dimensions: 1,704mm long, 861mm wide, 448mm high. Volume 400 litres. Maximum payload 75kg.

CARRYING

Ski and Snowboard Carrier

Carries four pairs of skis or two snowboards and incorporates slider rails for easy loading, is also lockable for security. Maximum payload 36kg.

Ski Bag

The Land Rover padded ski/snowboard bag carries up to two pairs of skis and poles up to 180cm long. It is manufactured from durable 600D polyester and features removable shoulder straps.

CARRYING

Tow Bar Mounted Cycle Carrier

The tow bar mounted cycle carrier features a one hand, quick attach/release tow bar coupling mechanism and can be tilted away from the vehicle, by use of a foot pedal, to allow easy access into the rear tailgate. The tailgate can be opened with carrier in deployed/folded position. Maximum load capacity 40kg for 2 bike carrier and 51kg for 3 bike carrier (maximum 20kg per bike).

Wheel Mounted Cycle Carrier

Roof mounted, lockable cycle carrier designed for holding a single bike, up to 20kg.

Fork Mounted Cycle Carrier

Roof mounted cycle carrier provides a simple and secure fitting with the bicycle front wheel removed, ideally suited to lightweight bicycles and 'racing' wheels. A separate carrier is included for the front wheel. Easy to fit, lockable cycle carrier which carries one bicycle per holder. A maximum of two holders can be fitted.

CARRYING

Aqua Sports Carrier

Carries a sailboard, canoe or kayak. Includes lockable multi-purpose holder to carry oars or paddles. Tilts to facilitate loading/unloading. Features lockable straps and rubber supports to maintain optimum weight distribution whilst protecting the kayak and vehicle from scratches/scuffs. Maximum load capacity 45kg.

Aqua Sports Carrier - 2 Kayaks

Carries two kayaks or canoes. Also suitable for transporting crafts such as small boats. T-track adaptor and adjustable 275cm strap included.

TOWING

Electrically Deployable Tow Bar

The electrically deployable tow bar is stowed discreetly behind the rear bumper when not in use, providing a clean attractive finish. It is designed to deploy/stow in 12 seconds and is operated via a switch in the rear loadspace or by the infotainment system in the cabin. Returns to original position if any obstructions encountered during deploying/stowing. Includes integral 13 pin towing electrics (also hidden until deployed). Approved for up to 3,500kg trailer load.

Tow Strap

Includes a storage bag that can be attached as a warning flag to the strap.

Lighting Board

This robust lighting board is primarily designed for use with a trailer. Neatly designed, with 13 pin ISO rated plug and eight metres of cable, it also includes reverse and rear fog lights, two tail lamps, indicators and brake lights.

Towing Electrics Adaptor - 13 Pin to 12N/12S

Towing electrics connection adaptor to convert a 13 pin socket to 12N/12S. Provides all trailer rear lighting and interior equipment power, where 12N/12S type towing electrics sockets are required.

WHEEL ACCESSORIES

Wheel Nuts - Gloss Black Finish

Set of 20 wheel nuts, especially suitable for use with Gloss Black finish alloy wheels.

Locking Wheel Nuts - Black

Manufactured to demanding safety standards, locking wheel nuts provide added security at low cost for valuable wheels and tyres. Kit includes a set of four locking wheel nuts and one key tool.

Styled Valve Caps

This exclusive range of styled valve caps, available in a choice of designs, provides a subtle styling enhancement to alloy wheels.

WHEEL ACCESSORIES

Snow Traction System - 19"-21" Wheels

Snow traction system is designed to give improved steering and braking control on snow and ice, when fitted to rear wheels. Easy-fit design, manufactured from high quality hardened galvanised steel, the chains are supplied in a tough vinyl carry bag for storage when not in use.

Wheel Centre Caps - Satin Silver Finish

Enhances and adds style to alloy wheels. Features Land Rover logo. Also available in Black finish.

Tyre Pressure Gauge

Digital tyre pressure gauge which stores recommended pressure and has a unique 360° rotating nozzle to locate tyre valve, LED light to locate tyre valve, tread depth gauge to measure tyre tread depth, measuring in psi, bar, kpa, kg/cm². Range 0-99 psi/0-7 bar and comes complete with storage case.

Wheel Cleaning Brush

This shaped, stiff wheel cleaner brush is specifically designed to the contours of your vehicle's wheels.

Wheel Cleaner - 500ml Trigger Spray

Specially formulated by Autoglym for Land Rover vehicles, this wheel cleaner removes brake dust and road grime keeping your alloy wheels looking as good as new. For use with wheel cleaning brush.

FUNCTION & TECHNOLOGY

PRODUCT NAME	DESCRIPTION		PART NUMBER	PRICE Including Fitting	
Click and Go – Base	The Click and Go range is a multi-purpose seat back system for second row passengers. The versatile Click and Go Base fixes between the headrest mountings and further attachments can be added to hold tablets, bags and shirts or jackets. Each attachment is sold separately. The base can be easily removed when not in use.		VPLRS0388	£34.00	
Click and Hang	The Click and Hang is part of the Click and Go range. This removable coat hanger allows shirts or jackets to be kept crease-free whilst transporting. Also includes an integral hook for use outside the vehicle.		VPLRS0390	£78.00	
Click and Hook	The Click and Hook is part of the Click and Go range. This universal hook creates extra storage space for items to be hung, especially useful for handbags or groceries.		VPLGS0593	£43.00	
Click and Play	The Click and Play holder is part of the Click and Go range. This removable tablet holder attachment can easily be positioned at multiple angles for in-cabin comfort and rear entertainment.	For iPad 2-4	VPLRS0391	£136.00	
		For iPad Air 1st generation and iPad Air 2 with 9.7" screen size only	VPLRS0392	£136.00	
		For iPad mini 1-3 Not applicable for iPad mini 4	VPLRS0393	£136.00	
		For Samsung 10.1" Tab 3 and Tab 4 only	VPLRS0394	£47.00	
		Click and Go Base required for fitment. Not applicable with rear 10.2" seat entertainment.			
Click and Work	The Click and Work is part of the Click and Go range. This folding table offers the rear passengers a practical surface from which to work, particularly useful on long journeys. It also has a cup holder and is height and angle adjustable for in-cabin comfort.		VPLRS0395	£118.00	
iPhone Connect and Charge Dock	The iPhone connect and charge dock has been designed to charge utilising the cup holder space in the central console. When connected, the iPhone's media is accessible and can be controlled via the integrated infotainment/audio system. The 'cut-out' design of the holder is such that the home button is also accessible for use when parked. The iPhone USB charger can be easily disconnected if the USB connection is required for other use. Fits iPhones up to 67.3mm wide.		VPLRV0119	£300.00	
Wireless Phone Charging Cupholder	The wireless phone charging cupholder has been designed to charge utilising the cup holder space in the central console. The holder will accommodate varying phone sizes securely in place. The charger displays an LED light to indicate when charging, and turns off when complete. Fits phones up to 72mm wide.		VPLYV0124 & VPLGV0126	£541.00	
Garage Door Opener (HomeLink®)	UK and European Region only		For vehicles with electro magnetic mirror only.	LR083142	£582.00

		Receptacle	LR067410		
		Lighter Element	LR033354		
Centre Armrest Cooler/Warmer Box	Food and drinks cooler and warmer that acts as a rear centre armrest. With a leather-covered top, it is held in place by the centre seat belt and powered from the rear auxiliary socket. Ideal for long journeys with the family.	Not compatible with rear executive class seating.	VPLVS0176	£341.00	
Electric Cool Bag	This cool bag is thermostatically temperature controlled, is powered by the 12 volt auxiliary socket and has an easy to clean interior surface. Height 380mm, length 380mm, width 220mm. Volume 14 litres.		VPLZS0529	£207.00	
Tailgate Event Seating in Ebony Leather	The tailgate event seating is hand crafted from beautiful Windsor, Ebony leather with a highly durable aluminium frame. Stowed in the loadspace, these seats can be quickly and easily fitted to provide comfortable seating for two adults on the lower tailgate, when the vehicle is stationary. The seats come complete with a luxury storage bag with soft lining, which also acts as a useful protective mat to prevent the users' clothes coming into contact with the exterior vehicle surfaces when in use.	Not applicable for PHEV	The seat is fixed to the loadspace floor via an adaptor that attaches to the 'D' loops or alternatively into the loadspace rails, if fitted. The adaptor is provided as part of the seat kit.	VPLGS0441PVJ	£558.00
Loadspace Security Box	Car safe box made of steel with an anti drill lock provides space to keep a 15" laptop and case or similar items inside. Attaches to the loadspace luggage rails using fixings inside the box.	Requires loadspace rails for fitment.	VPLVS0183	£503.00	
Collapsible Organiser	The collapsible organiser keeps items from shifting during transport. Can be easily folded away when not in use.		VPLVS0175	£66.00	
Loadspace Retention Net	Secure small items and luggage within the loadspace. Utilises loadspace tie-down points. Includes floor net and two ratchet straps which are approximately two metres long.		VPLMS0302	£135.00	
Loadspace Net - Side	Keep smaller items safely stowed away - but easy to find - with a loadspace side net.	Not applicable for PHEV	VPLGS0442	£129.00	
Loadspace Retention Kit	The loadspace retention kit consists of a pack of attachments that fix into the loadspace rails via a quick lock/quick release system to help provide a comprehensive and flexible solution for retaining luggage and other items within the loadspace. The attachment pack includes a retractable flexible strap with inertia reel, telescopic rod and stowage bag.	Not applicable for PHEV	Requires loadspace rails with 'D' loops VPLGS0170 for fitment.	VPLGS0171	£194.00
Loadspace Rails	Loadspace mounted rails to help increase the flexibility of loadspace stowage, also allowing the fitment of the luggage retention kit stowage system.	Not applicable for PHEV	Required for use with loadspace retention kit.	VPLGS0170	£376.00
Jump Cables	Jump cables enable you to re-start your engine using another vehicle's battery, should yours ever fail. Simple and safe to use, these high quality, heavy duty jump cables come in a box/case and are an on-board essential.		VPLVV0090	£151.00

Warning Triangle**	Vital in emergencies. Stows in the loadspace compartment.		VPLVC0060	£26.00

PET PRODUCTS

PRODUCT NAME	DESCRIPTION		PART NUMBER	PRICE Including Fitting
Pet Access Ramp	Designed with optimal dimensions and angle, the pet access ramp assists pets into the loadspace area without the owner having to lift them, making it ideal for owners who regularly carry dogs or other pets in the loadspace area of their vehicle. The ramp is suitable for use for pets up to 85kg and features aluminium side panels and a plastic centre section with a high-grip tread pattern. Rubber feet help to prevent the ramp slipping and retaining straps secure it to the loadspace 'D' loops, providing a lightweight but robust, practical solution. The ramp weighs 8kg and can be folded for stowage in the stowage bag provided. Height 11cm, width 41cm, length when open 193cm and length when closed 83cm.	Large	VPLRS0517	£343.00
Spill Resistant Water Bowl	Providing a convenient solution for use in transit or outside of the vehicle, the spill resistant water bowl incorporates a clever design feature which redirects water towards the centre of the bowl when the water is disturbed, making it ideal for owners who regularly carry dogs or other pets in their vehicle. The bowl retains an open area allowing your pet to take a drink at all times, has an anti-slip rubber base and also a retention strap for securing it to the loadspace 'D' loop. The bowl has a spill resistant capacity of 350ml.		VPLCS0518	£56.00
Portable Rinse System	Designed to be used outside the vehicle, the portable rinse system provides a convenient solution for washing pets before loading or rinsing down other equipment from bikes to wetsuits. Depending on the setting selected, this portable rinse system will deliver a minimum of two minutes of continuous water flow through a shower hose style attachment. Without the need for batteries or external power, the system utilises pressure captured when filling from a tap, and an integrated hand pump allows the user to pressurise if filling the water tank away from home. Featuring a Land Rover branded cover and handle, with an additional stowage bag it can be secured to the loadspace 'D' loops during transit, making it ideal for owners who regularly carry dogs or other pets in the loadspace area of their vehicle.		VPLCS0598	£284.00

*Children are safer when correctly restrained in the rear of a vehicle. **Legislative requirement to carry in vehicle in certain countries.
